Expect county vote on landfill Sept. 14

by GLORIA DAVIS

The Lake County Board is expected to attack the Antioch landfill expansion on Tuesday, Sept. 14, with two recommendations of denial already under its belt.

On Tuesday, Sept. 7, the Lake County Pollution Control Committee came forward with a 4-1 recommendation for disapproval of Waste Management, Inc.'s application for expansion of its present landfill in the Antioch area.

This recommendation was closely followed by an adoption of the 16 fact finding points, on which the hearing committee based its denial, by the Lake County Planning, Zoning and Building Committee.

Don Strenger cast the only "yes" vote, with Tony Serdar casting a qualified "no" ballot, saying that he did not agree with all of the 16 fact finding points.

The three other "no" votes came from Donna Mae Litwiler, Mike Graham and Helen Amendolla.

Serdar said that he concurred with eight of the 16 points, saying that he found the most important objection to be the landfill's location too near the village and residential wells.

If Waste Management's application is denied by the county board, its request can be brought before the Illinois Environmental Protection Agency Pollution Control Board.

Delays don't stop grocers' progress

by GLORIA DAVIS

Not much physical action seems to be taking place to solve Antioch's supermarket dilemma since the loss of its two main grocery stores last spring. Representatives of the concerns that have promised that there will be two new supermarkets in the Antioch area by Spring 1983 report that the wheels of grocery progress are still turning.

In early August, Mike Carey, representative of Scot Lad, Inc., a wholesale grocery chain, reported that his company had leased, or was in the process of leasing, 10 closed Lake County A&P Stores to independent grocers. He added that they would be opening in early fall.

But to date, little or no activity is being seen or heard in the vicinity of the large boarded up brick building that still flies the old A&P masthead, once the backbone business of the Antioch Shopping Plaza on Orchard St.

Lately new rumors have surfaced that Potter-McCune, a Pennsylvania based wholesale grocery company, has purchased at least three of these stores from Scot Lad and intends to open the ones in Antioch, Wauconda and Fox Lake before the first part of October.

And though representatives of Jewel Food Stores promised the start of the construction by the end of August, all is still quiet on the western front of the village of Antioch where the proposed location of a new Jewel-Osco combination is slated to go.

According to Tim Schwartz, real estate representative for Jewel, progress on the demolition of four of the existing businesses, located at the intersection of Rtes. 59 and 173, has been held up because all the businesses did not vacate the premises in the 30 days allotted.

"We have been waiting for the attorneys of the sellers of the property to take action," he said.

The one lone holdout, who has still operated a food service business, is Don Mentone, owner of Donald's Drive In.

At press time, Lakes Co. Beltings Auto Parts and Smiley's Corner Tavern have finally ceased their operations in the stores

Safe Hunting

The Antioch Jaycees are giving area residents an opportunity to learn basic principles of safe hunting at a department of conservation Hunter Safety Course scheduled to be held on Oct. 2 and 3, from 9 a.m.-1 p.m., at the Old Fire House in Antioch. Both sessions must be attended.

A 1976 state law requires that all hunters under age 16 successfully complete the hunter safety course before they can receive their first hunting license.

Participants completing the hunter safety course receive a Hunter Safety Certificate verifying that they have passed the safety instruction.

"This will be an excellent opportunity for young hunters who need the course in order to qualify for their first hunting license," Jay Brusk said.

"It can also be beneficial for beginning hunters older than 16, even though they do not require the course to be eligible for a license," he added.

For more information contact Jay Brusk at (312) 395-4951.

News, sister publication cited at tops in state

The Antioch News and its sister publications of Lakeland Newspapers have once again been cited as the top weekly newspaper in Illinois.

The announcement was made at the 117th annual fall convention and trade show of the Illinois Press Assn. held in Decatur.

Lakeland Newspapers garnered six first place awards including the Verle V. Kramer trophy for the top newspaper. Other first place awards came in the categories of general excellence, home and family sections, feature photography, typography and graphics, and editorial page.

Lakeland Newspapers took a second place award in local news coverage for its coverage of the Jewel fire and Antioch A&P closing as well as for advertising excellence and local editorials.

Third place awards were won by the Lakeland publications for classified pages, and best school board coverage and an honorable mention was awarded for best circulation promotion idea.

Accepting the awards for Lakeland Newspapers were Harold R. Kirchhardt,

president, and William H. Schroeder, publisher.

Kirchhardt noted that this was the third time in six years that Lakeland Newspapers has received the high award as the number one weekly newspaper. Papers are not eligible to win the award in consecutive years.

Kirchhardt said that the honor "really belongs to the combined efforts of our dedicated staff who worked very hard to return the trophy to Lakeland Newspapers."

Schroeder noted that this year's awards reflected the overall strength of the newspaper group, encompassing everything from classified and display advertising excellence to circulation promotions, typography and makeup, and news, feature and photo coverage.

"These awards represent a vote of confidence by the judges that the Antioch News and the other Lakeland newspapers continue to set the standard for what is considered top community newspapering," said Schroeder.

The contest was judged by professional newspaper people who are members of the New Jersey Press Assn.

Energy to be Chamber topic

John Orso will address the Antioch Chamber of Commerce and Industry members at a seminar slated for Tuesday, Sept. 28, at the Windjammer Restaurant.

Orso's presentation, Energy Costs — A Fact Of Life, is a timely topic with old man winter right around the corner and energy conservation on everyone's mind.

Orso comes highly qualified with 32 years of service for the Northern Illinois Gas Co. He has worked in several capacities for the company primarily as personnel director and currently as the district superintendent in the northwest division based at Crystal Lake.

All Chamber members are urged to attend this seminar.

Luncheon at noon; the cost is \$5 per person.

Deadline for reservations is Thursday, Sept. 23. Call Chamber Executive Secretary Dixie M. Sparks at (312) 395-2233 for more information.

Keeping Up With The Times

Question:
If my dentist graduated from dental school 20 years ago, how can he be familiar with the latest developments?

Answer:
It is said that a member of any learned profession must be a perpetual student. Dental practice, as well as the rest of the health professions, is changing so rapidly that knowledge received in dental school can become obsolete. For this reason, the conscientious dentist keeps himself current by periodically upgrading his knowledge with continuing education courses. These courses are offered by universities, hospitals, dental societies, and specialized continuing educating organizations; they deal with every facet of dental practice. Many dentists belong to local study clubs, which meet periodically to review current literature and discuss interesting or difficult case histories. Members of some professional organizations take a certain amount of continuing education instruction as a requirement of membership. Several states are making continuing education a requirement for relicensure.

'More traffic arrests, less fatalities': Miller

by GLORIA DAVIS

Antioch Police Chief Chuck Miller credits the media and the hard work of his police force and other area law enforcement agencies, who have put on added man-hours this year, for the higher rate of traffic arrests but lower rate of fatalities so far in 1982.

According to Miller, drunk driving arrests in Antioch have risen from 17 in 1978, to 44 in 1981, to 85 so far in 1982. Miller expects this figure to rise at least to 100 before the end of the year.

"Kids we have stopped have told us that

they are aware we are out there waiting for them and they are walking on eggs," he said.

Personal injuries rose from 40 in 1978 to 61 in 1981.

Non-traffic arrests rose from 234 in 1978 to 1600 so far in 1982.

In 1977 the Antioch police answered 7,500

calls and Miller expects them to average 1,000 per month in 1982.

All this extensive law enforcement calls for longer working man-hours and Miller is busy working on a grant that could supply the badly needed money to continue this police push for law and order.

Rotary Auction, BBQ set Sept. 18

The annual Antioch Rotary Pork Chop Barbeque and Auction will be held Saturday, Sept. 18.

The event will be held at the Antioch Auction Center, North Ave., beginning at 5:30 p.m.

The evening will include the famous Fay pork chops, cooked outside with the most delicious barbeque sauce, beans, salad, bread and beverage.

Following the food will be the fun-filled auction for antiques and other items. This will be followed by dancing to one of the area's outstanding musical groups.

This year's auction is chaired by Bud Schichowski and State Club President Kenneth Clark. Clark has personally reviewed the auction items and feels that anyone missing the activities on Sept. 18 will miss out on some great bargains.

Schichowski announced that Herman Behm and his wife Edna will again donate

their time to head the auction.

Some of the outstanding items to be auctioned include: a Caribbean cruise for six plus airfare for two; a Lincolnshire weekend; four cars donated by local dealers; a boat and many, many other valuable items acquired by the Rotary Club from Rotarians, businessmen and friends.

Throughout the year, the Antioch Rotary Club has used the funds from this activity to support community activities. Last year's money supported scholarships, Youth Exchange, local churches, Allendale School, Antioch Fire Dept., the Rotary, the Antioch Library, Antioch Park Dist., Antioch Senior Center and food baskets at Thanksgiving and Christmas.

Tickets are \$10 each and are available from Rotarians and also at the door. Ticket chairman is Bill Stanley.

Sequoits edged by Crystal Lake

The Antioch Sequoit varsity football team lost its season opener to Crystal Lake Central, 19-15.

In a non-conference game, that seesawed back and forth almost to the final gun, Crystal Lake's final 17 yard pass, made with 5:28 remaining in the game, was the clincher for the Tigers.

The Sequoits ran out of time before they could retaliate. Both teams scored in the first quarter. For the Tigers, it was six for a two-yard run, with the point after kick missing its mark.

For the Sequoits another two-yard run did the trick but they added another point with a good kick by Derek Olsen, making the score 7-6.

Crystal Lake took the lead in the second quarter after a successful 24-yard pass. Again their kicker failed, making the half-time score, 13-7.

Antioch came back in the third with 4:32 remaining in the quarter, when George Bessette went over in a one-yard run. This time Olsen's pass to John Mahar in a planned fake extra point kick attempt gave the Sequoit two points.

It was Sequoit Coach Steve Wapon who credited being on the wrong end of the time element as a factor in Antioch's loss.

The Sequoits will play Woodstock, at home, on Saturday, Sept. 25.

FIRST AID

St. Therese Hospital, 2615 Washington St., Waukegan, will offer a "Red Cross Standard First Aid Course," OSHA-approved, on Saturday, Sept. 18. Co-sponsored by the Red Cross and St. Therese hospital, the classes will be held from 8:30 a.m. to 5 p.m.

FIFTY YEARS AGO: Sept. 15, 1932

The News ran an article about the Kansas City Monarch Baseball Team, calling them "The World's Colored Baseball Champions."

Edgar Simonson was slightly injured when the Chevrolet truck he was driving collided with a Ford truck that was parked on the highway.

The Commodore Barry Country Club Chartered Motor-coach Service between Chicago and Antioch was discontinued.

The News ran an editorial reporting that many dissatisfied citizens were blaming all their problems on the incumbent President Herbert Hoover and his Republican administration.

Wisconsin grown potatoes were being advertised for 60 cents a bushel and Lakes Center Laundry and Dry Cleaning was cleaning rugs for three cents-per-foot.

THIRTY YEARS AGO: Sept. 11, 1952

The H and T Co., manufacturers of hosiery and jewelry cases, opened in the Keulman Bldg., in Antioch. The owners were Gustav and Eric Nelson of Chicago.

Bernard Guillaume, lay leader of the Antioch Methodist Church, was appointed general chairman of the committee sponsoring the Revised Standard Version of Bible Observance.

Jane Russell and Victor Mature were starring in "The Las Vegas Story," at the local cinema.

A new method of determining the base for a farmer's deferment from service in the armed forces was derived.

A parking lot to be used by Antioch's park and library patrons had been finished.

TEN YEARS AGO: Sept. 13, 1972

Scoutmaster Richard Harland awarded the highest honor in scouting, the Eagle Scout Award, to Boy Scout Howard Waring.

Four Squires was celebrating its grand opening in Antioch. The newest real estate firm in Antioch was opened by Michael Warren.

"The Frog Prince," starring Steve Albright and Wendy Stout, was playing at the PM&L Theater.

Veteran State Rep. W. J. Murphy of Antioch, was honored for his 16 years of service in the Illinois General Assembly.

Bonnie, Fred and Renee Bobzien were attending the University of Illinois.

Joe and Barbara Rush attended an open house at the Naval Academy, Annapolis, Md., where their son Gary was a midshipman.

Vikings win, lose

All of the Viking Football teams played their opening games on Sunday, Sept. 19.

In the featherweight division, the Warriors took the Sea Hawks, 34-6, and the Eagles blanked the Buccaneers, 20-0. The Raiders scored 13 points to the Falcons 6.

The two traveling teams also played their openers on Sunday. The Antioch Viking lightweight team beat Mudelehn, 12-0, but the Mudelehn heavyweights took Antioch, 6-0.

SCREENING

Free blood pressure screening will be offered to the public on Thursday, Sept. 16, at St. Therese Area Trauma-Satellite (STATS), located on Rte. 59, just south of Grand Ave., in Lake Villa. No registration is required, just stop by between 11 a.m. and 4 p.m.

Along the way with ANNIE MAE

I hear that one of Antioch's oldest organizations, Antioch's Royal Neighbors, will be holding a luncheon-card party at 12:30 p.m. on Friday, Sept. 17, at the American Legion Home on Ida St.

Well I guess it's the time for politicians and their pre-election allegations again.

Makes one wonder about the latest one coming from Lake County Sheriff Aspirant Dan Mason that his opponent, Coroner Mickey Babcox and former Antioch mayor, Mike Haley, had any knowledge of the alleged two illegally issued licenses coming out of license bureau in Libertyville, now headed by Haley.

What has business connected with the secretary of state's office, like license issuing, got to do with the sheriff's race anyhow?

At a time when unfounded political mud slinging can run rampant, maybe the only time things like this deserves media space is after legal charges are filed.

How about an accolade for one of Antioch's military sons? I see that Roger Knowlton II, son of Donald and Ellen Knowlton, Antioch, has been officially accepted into the U.S. Military Academy's Corps of Cadets as a member of the class of 1986 during the annual acceptance parade that followed six rigorous weeks of basic cadet training at West Point Academy, N. Y.

WOMEN TO MEET

Crooks to break into PM&L on Sept. 17

PM&L Theater is ready to kick-off its 22nd season on Friday, Sept. 17, with the opening of "Guys and Dolls", directed by Lou Jones.

It's a musical comedy about gangsters gambling in the biggest game of all, love. "Guys and Dolls" contains such well-known songs as "Luck Be A Lady," "Sit Down You're Rockin' The Boat," and "Bushel And A Peck." It's a show full of dancing and singing and fun for all.

Appearing in "Guys and Dolls" are two very new faces to the PM&L stage, starring as Adelaide is Lori Ferguson from Antioch and as Nathan Detroit is H. Den-

nis Gullion from Lindenhurst.

Ferguson made her stage debut as the Irish maid in the recent PM&L production of "Ahi Wilderness" in which she gave a very enjoyable performance. Adelaide is her first major role in only her second show and as Adelaide, Lori shows how varied her talents really are.

H. Gullion has finally landed the part of Nathan Detroit which he says he has always wanted to do. This is Dennis' first time at PM&L but he is no stranger to theater as he has sung professionally since he was five, has worked at Six Flags Over Texas in the musical revue, and done numerous

shows and clubs.

He was most recently seen in the HeatherRidge production of "The Fanticks" in Waukegan.

"Guys and Dolls" will be performed at PM&L Theater, 877 Main St., on Sept. 17, 18, 24, 25 and Oct. 1 and 2 at 8:30 p.m. A 2:30 p.m. matinee will also be performed on Sept. 26.

Dr. R. A. Sona,

OPTOMETRIST

SMALLER, THINNER, LIGHTER

There have been fantastic advances in contact lenses in a relatively short period of time. And they're getting better (especially in the areas of comfort and length of time you can wear them) all the time.

Contact lenses made their debut in the late 1930's. A glass scleral lens was used that completely covered the exposed part of the eye. This was a great invention, but it needed refinement. The heavy glass lens was too uncomfortable to wear for very long (five hours was the record in those days).

Then, in the 1950's plastic lenses were introduced. This was a much lighter material than the glass scleral lens.

People found they could wear contact lenses for long periods of time.

Since then, contact lenses are comfortable and commonplace. Millions of people wear them. They require more care than glasses. They have to be kept germ-free, and there's a technique to learn in inserting and removing them. But they can be worn with comfort and give your eyes the corrective vision they need. And nobody will know they're there but you.

FIRST NATIONAL BANK of ANTIOCH'S Simple Interest Loans ... A Better Way To Borrow

What is a Simple Interest Loan?

A Simple Interest Loan is a new way to borrow. It is a loan where the simple interest rate is applied to your declining monthly loan balance, rather than computed in advance and added to your total loan.

What does this mean? It means you have greater flexibility. And it means you can save money.

Why Is Simple Interest Better?

Here are 4 reasons:

1. You sign a note for only the amount of money you need.
2. You pay only Simple interest on your monthly declining balance.
3. You pay interest for only the period of time you use the money. If you pre-pay, you save.
4. You may pay off the loan at any time, without losing any money.

Gripes aires at postal meeting

BERATES POSTAL SERVICE — Antioch Postmaster Mary Ann DeReimer, left, listens to Frank Recupido's gripes about Antioch postal service at meeting of Chain O'Lakes Customer Postal Council held at State Bank of Antioch. by GLORIA DAVIS

A meeting of the newly formed Chain O'Lakes Postal Customer Council was interrupted by Antioch residents objecting to their own postal service.

Mary Ann DeReimer, Antioch postmaster, put a stop to the postal gripes being aired by Mr. and Mrs. Frank Recupido and others by saying that the meeting was designed to inform people from Antioch, Round Lake, Fox Lake, Grayslake and Lake Villa what the post office has to offer and how they can save time and money in using the mail.

At the meeting held at the State Bank of Antioch on Thursday, Sept. 9, Recupido said that he was under the impression people would have a chance to straighten out problems they were having with the post office.

The main objection to service in Antioch was the one person manning the counter, resulting in long waiting lines.

"I've never seen it as bad as you say, but if you have a problem just knock on my door,"

the postmaster said.

"We've never seen you, why don't you come out from behind that door and see these lines that have old people standing in them for more than 20 minutes to get their checks," Mrs. Recupido said.

Another member of the audience said, "I work in Antioch and live in Fox Lake. The service in Fox Lake is great, no comparison to the bad service in Antioch."

Antioch Mayor Ray Toft, in an aside, said that he had to agree with the Antioch dissenters.

"I do all my mailing from Trevor and Wilmot, it's much quicker," he added.

DeReimer, after saying that it might be possible to add to the counter's staff when necessary, said that she would set up a meeting where people in Antioch would have a chance to bring their problems to her.

The meeting proceeded and speakers representing the post office continued their explanations of different mailing procedures offered by the post offices in the northern Illinois vicinity.

Hartog breaks parole again

Kenneth Hartog, 20, Trevor, who is already under probation violation charges, was arrested, along with two companions, at 7:25 p.m., on Friday, Sept. 17.

Off duty Antioch Police Sgt. Charles Watkins noticed the occupants of a vehicle drinking, called in Officer George Broker who stopped the vehicle and found three cold open 12 ounce cans of beer in it, one on the floor by the driver's foot.

Charged with transportation of open intoxicants was the driver, Scott Rowland, 21,

Antioch, and passengers, Carol Pinkonsky, 22, Antioch, and Hartog.

Hartog, who was sentenced to weekends in prison for the reckless homicide of Anne Helene Kugler, is awaiting sentencing for breaking probation when he was reported to be in an Antioch tavern, two weeks after his sentencing in April.

Antioch Police Lt. Tom Fisher said he has already informed the state's attorneys' office of Hartog's arrest.

Ostergaard ties for race trophy

Chuck Ostergaard, who has led in points for late model sportscar racing, at the Wilmot Speedway, most of the season, tied for the championship with Jim Zwirgzdas.

Ostergaard and Zwirgzdas both ended the season with 1,063 points for the dual championship cop.

At the beginning of the racing on Saturday, Sept. 18, Ostergaard had a 15 point lead. But the 50-Lap Season Championship Race was won by Ron Shearer with Zwirgzdas taking a second and Ostergaard a third.

When Zwirgzdas took fast time, with Ostergaard

coming in fifth, the leader's points were cut down to one.

In the third heat race, Ostergaard took a second and Zwirgzdas a fourth, giving Ostergaard a seven-point lead.

The results of the championship race gave Zwirgzdas 40 points and Ostergaard 33.

"This is the first time in the history of the track that we have had a tie for the championship," said Track Owner Ray Toft.

The co-champs will receive their awards at Toft Auto Racing "Night of Champions," on Friday, Oct. 29, at Eddie's Wonder Bar, Twin Lakes.

Candidates forum to get to issues

Candidates will finally start getting down to the issues when they take the stage in a special candidates forum to be held in Lake Villa.

Candidates for congress, state rep, state senate and Lake County offices of sheriff, clerk and treasurer are expected to participate in the forum.

The forum will be held from 6 to 9 p.m., Tuesday, Sept. 28 at Cedar Village, Lake Villa. Roger Ruthhart, managing editor and political writer for Lakeland Newspapers, will be the moderator.

Featured will be Democratic candidate in the 12th congressional district Dan DeFosse and a representative of his opponent, Congressman Phil Crane (R-Mt. Prospect); 31st senate district candidates Adeline Geo-Karis and William Pitts; 62nd district state rep candidates

Robert Churchill and Bob Gesiakowski; sheriff candidates Don Mason and Robert (Mickey) Babeox and Democratic county clerk candidate Linda Hess.

Organizers said that Republican County Clerk candidate Harry Thomas; and both county treasurer candidates, Ted Anderson and Nan Fairhurst have yet to respond.

Candidates will each give a three minute introductory presentation in pairs, according to races. Candidates will each be held four or five questions from the audience and be given approximately one minute to respond.

Personal attacks on opponents will disqualify the candidate from further participation.

County board and statewide candidates will not be featured in the forum.

The forum is open to the public at no charge.

League needs soccer teams

The Lake County Soccer League is looking for additional Lake County communities which are interested in forming local traveling teams that would compete with other member communities in the league.

Commissioner Norm Phillips of the Lake County Soccer League said that there are openings for both boys and girls teams in the under 10 years of age, under 12 years of age, and under 14 years of age group levels.

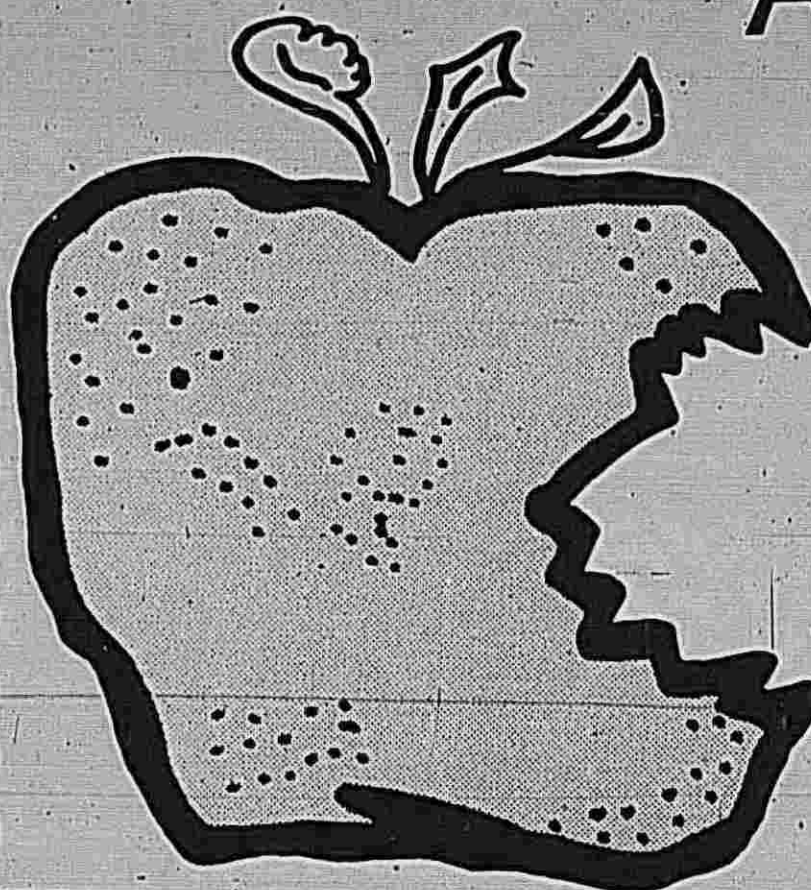

He stated that the first games in this new league are scheduled for September 19, but there is still ample time to join the program.

The Lake County Soccer League is affiliated with the Illinois Youth Soccer Assn. and includes such communities as Mundelein and Highland Park.

Anyone interested in more information may contact Phillips at (312) 433-8020 or (312) 432-8843.
